Dear ABOHNS Sleep Medicine Diplomate,

The American Board of Otolaryngology – Head & Neck Surgery (ABOHNS) is pleased to share with you an update on the status of a Longitudinal Assessment Pilot for continuing certification in Sleep Medicine.

Read the [official communication](#) from the six co-sponsoring Sleep Medicine Boards and ABMS for further details about this positive development. Please expect to receive a communication from the ABOHNS in the next few with Frequently Asked Questions.

In the meanwhile, if you have additional feedback or comments, please send to request@abim.org. You can also reach out to the ABOHNS at moc@abohns.org.

With Best Regards,

Brian Nussenbaum, MD, MHCM
Executive Director
